Dear Resident,

For over 50 years your **ASHTEAD INDEPENDENT** Councillors have worked tirelessly, together with residents, businesses, and local organisations to improve Ashtead's facilities while protecting the rural character of our village and its surroundings.

Being non-Party-political and committed to engaging only in local issues and not national party politics, **ASHTEAD INDEPENDENTS** have used their influence on Mole Valley District Council for the well-being and benefit of Ashtead residents. Over the last year, your local Independent Councillors have been involved in many local issues affecting our village and community. These have included opposing the LibDem-controlled Council's willingness to sacrifice Green Belt land in Ashtead for housebuilding as part of the Mole Valley Local Plan.

I have lived in Ashtead Lanes and Common Ward for nearly 30 years. During my time here I have been an active campaigner to preserve our countryside and green spaces. I am standing in this election to join fellow Ashtead Independents to ensure that Ashtead has a strong voice at Mole Valley.

If you want your local Councillor to be *truly independent* and *live in Ashtead* then
