Ashtead Independents

Dear Resident,

For over 50 years your **ASHTEAD INDEPENDENT** Councillors have worked tirelessly, together with residents, businesses, and local organisations to maintain and improve the character of Ashtead. During that time much has been achieved with the aim being to make Ashtead a good place to live and work.

Being non-Party-political and committed to engaging only in local issues and not national party politics, **ASHTEAD INDEPENDENTS** have used their influence on Mole Valley District Council for the well-being and benefit of Ashtead residents.

Over the last year, as your local Councillor I have been involved in many local issues affecting Ashtead and its residents. In particular, defending Green Belt Land (Ermyrn Way) which the Liberal Democrats have voted to keep in the Local Plan for housing development, fighting the Liberal Democrat decision to close Council Offices to the public, working with our Ashtead Independent Surrey Councillor for more on-street parking enforcement and traffic calming measures around local schools. I have actively pursued the Liberal Democrat Administration over its mismanagement of the Council's finances where they have run up debts of over £110 million and continue to waste money on vanity projects in the South of the Borough. I will continue to fight for residents getting the best value for their Council tax.

I have very much valued the support and trust residents have given me over the past year and I hope you will re-elect me so that I can continue to work for you.

If you want your local Councillor to be *truly independent* and *live in Ashtead* then
